ASA is a champion of inclusion, connecting individuals with disabilities to runners from the community, Inspiring all to celebrate the spirit of **“Together We Finish!”**

ASA Athlete is our term for an individual with limited to no mobility who desires to race and cannot do so on their own. ASA provides “WingMan Teams”, adaptive racing equipment, and training and racing opportunities free of charge to the Athletes and families we serve.

ASA WingMan is our term for a volunteer runner who lends their heart and legs to empower an ASA Athlete to cross the finish line. They are male and female, young and old, fast and slow.

ASA’s WingMan Program fosters a community of inclusion by bringing people together from all walks of life creating lasting, authentic relationships.
